

# Adding Value to Employees' Dental Benefits

MyBenefits<sup>1</sup> from MetLife

## MetLife®

### MYBENEFITS EMPOWERS YOUR EMPLOYEES TO TAKE CONTROL OF THEIR DENTAL BENEFITS

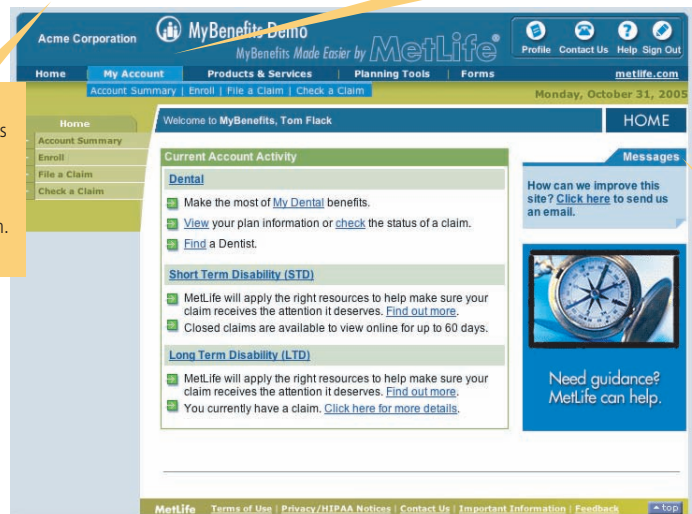

A clear understanding of dental benefits is the first step toward helping employees manage and value them. MyBenefits provides employees with a seamless experience and access to important information, including:

#### HOME PAGE

MyBenefits provides key information, personalized for each employee, as soon as they log on.

#### MY ACCOUNT

This feature of MyBenefits provides a comprehensive summary of an employee's benefit options and selections in one convenient location.

#### MESSAGE BOXES

Allow both MetLife and the employer to communicate timely information to employees, such as enrollment dates and new product offerings.

*Making benefits easier for employers, employees and providers. MetLife eBenefits.*

- **PLAN BENEFITS** – Employees learn what dental services are covered, benefit levels, plan maximums, frequency limitations as well as deductibles.
- **CLAIM STATUS** – Employees are able to find out exactly where a claim stands, including payment status and other pertinent details.
- **EMAIL NOTIFICATION** – Employees can subscribe to receive email alerts notifying them when a claim has been processed or changes in their claim status.
- **PARTICIPATING DENTISTS** – Employees enter a ZIP code, dentist name or request a full listing of the names of all dentists in an area who participate in MetLife's Preferred Dentist Program (PDP). Maps and driving directions are also provided!
- **FORMS** – Employees can access a personalized forms library to download documents needed for claim filing, enrollment and beneficiary designation.

Your MetLife representative or benefits consultant can arrange a demonstration to show just how valuable MyBenefits can be. Managing benefits can be difficult, but with proven eBusiness solutions, **MetLife is easier.**
